

MMT-01 & 02– EXECUTION STRATEGIES FOR ALGORITHMIC TRADING

Useful Readings/Videos

Webinars:

- How quant trading strategies are developed and tested w/ Ernie Chan
<https://www.youtube.com/watch?v=DW9zQ8Hz6gQ> (Interview audio)

There are common orders that all brokers have available, but there are some orders that not all brokers implement, so it is interesting to familiarize yourself with the orders of your specific broker. A couple of examples:

- Orders types on Interactive Brokers
<https://www.interactivebrokers.com/en/index.php?f=4985>
- Orders types on Interactive Brokers (Videos)
<https://ibkr.info/video/1037>
- Basic orders types on TradeStation
http://help.tradestation.com/09_01/tradestationhelp/ob_definitions/order_types.htm
- Advance orders types on TradeStation
http://help.tradestation.com/09_01/tradestationhelp/ob/about_advanced_orders.htm

Books:

- Trading and Exchanges: Market Microstructure for Practitioners by Larry Harris.
